City of Carroll

Brad Burke, Chief of Police **Police Department**

112 E. 5th Street Carroll, Iowa 51401-2799 (712) 792-3536 FAX: (712) 792-8088

MEMO TO: Honorable Mayor and Council members

FROM: Brad Burke, Chief of Police BB

DATE: September 7, 2016

SUBJECT: Outdoor Warning Sirens

Bids were solicited to replace one outdoor weather siren, pole, controller, etc., with one new outdoor weather siren, pole, controller, installation, etc. The siren is located on West Anthony Street near Prairie View Drive. The bids also required the conversion of six older sirens from DC only to AC/DC power supply.

On September 6, 2016, bids were received for the purchase and installation of one outdoor warning siren, pole, controller, etc., and the conversion of the power supply for six existing sirens. Bidders were also required to include the cost of removing and disposing of the old siren and pole as part of their bids. One bid was received for this project with the price quoted as follows:

Danko Emergency Equipment (Federal Sirens) $38,516

Included in each of these bids is the requirement that the installers remove and dispose of the old siren and pole. In the past we have had cities or other entities approach us and we have donated old sirens/poles to them. In the event that this occurs this time we may be able to save the cost of disposal (up to $1,050) from the quote shown above.

I will make inquiries to see if there are cities or other groups that may have an interest in our old siren and pole.

RECOMMENDATION: Council consideration and approval of the bid from Danko Emergency Equipment in the amount of $38,516 for the purchase and installation of one new outdoor warning siren, removal of existing siren, and retrofitting 6 existing sirens to AC/DC power. Also, permission to donate old sirens and poles if there are interested cities or groups who request them.
