City of Carroll

112 E. 5th Street Carroll, Iowa 51401-2799 (712) 792-1000 FAX: (712) 792-0139

MEMO TO: Gerald L. Clausen, City Manager

FROM: Greg Schreck, Fire Chief GS

DATE: May 3, 2016

SUBJECT: Sale of Surplus City Property

At the February 22, 2016 Council meeting, the Council approved sealed bids as the method of sale for a surplus high-pressure breathing air compressor. This compressor is no longer needed as we have utilized a FEMA grant to purchase a new Bauer compressor.

The used compressor was advertised for sale in the local paper and in a monthly Iowa fire service news publication.

On April 22, bids for the sale of the compressor were received, opened and tabulated at the Office of the City Clerk and summarized as follows:

McGregor Hook & Ladder Co. No. 1	$4,682.00
Lanesboro Fire Department	$2,500.00

The high bid is from McGregor Hook & Ladder Co. No. 1 at $4,682.00.

RECOMMENDATION: Mayor and Council consideration and approval of the sale of the surplus high-pressure breathing air compressor to the McGregor Hook & Ladder Co. No. 1 of McGregor, IA, at their bid price of $4,682.00.
