 - Wellness Coalition Meeting – May 18

Accomplishments of particular note:

- 246 utility bills and statements were emailed in April 2017

Fire Department

As reported by Greg Schreck, Fire Chief

Routine Activities for the month:

The Department responded to four calls for service and held three training sessions in April.

Firefighters conducted annual pressure testing of nearly 2,000' of 5" large-diameter hose. Large diameter hose is a water supply line utilized in providing water from fire hydrants to pumper trucks. The hose must reach and hold a pressure of 200 psi for five minutes without failure.

Training sessions for Department members focused on search and rescue operations utilizing the abandoned house on the municipal golf course. The Department will continue to use the house for training until mid-July when a training fire is planned to demolish the structure.

Run Report for April:

Alarm Date	Alarm Location	Incident Type
04/05/2017	23284 190 th St	Building fire
04/07/2017	19258 Hawthorn Ave	Brush/grass fire
04/07/2017	1211 E 18 th St	Grass fire
04/27/2017	117 E 6 th St	Grease fire on stove

Police Department

As reported by Brad Burke, Police Chief

Routine Activities for the month:

On April 5 & 6, Officers Jake Smith, Tony Amdor, and Nathan Christian participated in Advanced Roadside Impaired Driving Enforcement (ARIDE) training at the Carroll Fire Station. This training is put on by the Governor's Traffic Safety Bureau at no cost to the department. The training teaches the skills necessary for officers to bridge the gap between alcohol impairment and drug impairment through advanced techniques in field sobriety testing. This course is a step that the police department has taken over the last few years to help identify drug impaired drivers and make the roadways safer.

Officer Christian taught a bike safety course at Graham Park on the 11th.

Officer Smith attended the Iowa Peace Officers Association conference on the 17th and 18th. The conference focused on domestic terror and criminal subversive groups such as motorcycle gangs and sovereign citizens. The training took place at Camp Dodge in Johnston, IA.

Officer Patrick McCarty graduated from the Iowa Law Enforcement Academy basic class on April 21st. He began field training which is 10 weeks which he must complete before being on patrol.

On the 24th, Kuemper 6th grade students graduated from DARE. The DARE program ran for the entire second semester of school and 77 students graduated the program.

The start of end of school year tours began on the 28th. Fairview Elementary brought in around 120 pre-school kids for a tour and quick presentation. Many more classes will be in during the next month.

Four students from Ms Boes's English 10 class at Carroll High came to the police department to propose a fundraiser to start a K9 program. The police department has not had a police K9 since 2007 and the students felt that the City could benefit from this team. The students have sent out fundraiser letters and met with the radio and newspaper to gain attention while also utilizing marketing sources within the school. There is no set goal but to start a program the police department needs to raise roughly \$20,000. If interested in donating to this cause, you can send check or money to the Carroll Police Department or deposit directly into the K9 account at Commercial Savings Bank.

Special activities/accomplishments of particular note:

- 1) Children's Programs:** Story time programming this month included Rookie Readers, Diane's Read-Aloud, Ivan the Reading Dog, and outreach to area daycares. Diane had special story times for the Everybody on the Same Page program inviting the Fairview and Holy Spirit incoming preschool classes to enjoy the book *Finding Winnie* by Lindsay Mattick, the true story of Winnie the Pooh and part of the county-wide Everybody on the Same Page program. The Makers or Breakers (MOB) After School STEM Club met 4 times in the month of March with 77 children in grades 3 through 5 attending from 4:00 to 5:30 p.m. This month they learned about electrical currents using snap circuits, finished their maker journals, learned to sew by machine and by hand, and explored felting. Watch the library Facebook page for MOB updates and other maker events in the library.

- 2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Ladies, Noon Book Club, Evening Book Club and the poetry group. Several adult programs were held for the Everybody on the Same Page program this month including a presentation by Michael Vogt who's talk *Camp Dodge: Home Away from Home, 1917-1918*, included a 45 minute presentation on the facets of Military Life at Camp Dodge during WWI. Also held this month was a dual arts program. The Flanders Fields poetry reading and poppy flower painting class was held on March 18th. The Poetry Group sponsored the reading and Laura Comito of ArtWorks Studio conducted the painting class for a small fee to cover materials.
