**MEMO TO:** Mike Pogge-Weaver, City Manager MPW

**FROM:** Randall M. Krauel, Director of Public Works RMK

**DATE:** April 5, 2017

**SUBJECT:** Monument Signage Project
U.S. 30 East Entrance Sign

**CC:** Shannon Landauer

Pursuant to the January 23, 2017, Design Services Agreement, Confluence has submitted six schematic concepts for a U.S. 30 East Entrance Sign. The six schematic concepts are attached as Options A, B and C with an Alternate for each. Also attached are projected day and night perspectives for each Option and day perspectives for each Alternate.

The Probable Construction Cost Opinion for each Option and Alternate is as follows:

| | |
|---|---|
| Option A | $11,568.87 |
| Option A – Alternate | $13,961.75 |
| Option B | $26,097.50 |
| Option B – Alternate | $28,641.25 |
| Option C | $12,625.80 |
| Option C - Alternate | $14,091.00 |

On April 3, the Sign Options and Alternates were reviewed by Chamber Executive Director Shannon Landauer and City Staff members. Construction cost estimates were not available at that time. The consensus selection of the review was Option C (Alternate).

**RECOMMENDATION**: Mayor and City Council consideration and selection of a U.S. 30 East Entrance Sign Option to continue with Construction Documents, Plans and Specifications.
