

RECYCLE COMPUTERS, MONITORS AND TVs FREE OF CHARGE!

September 17 * 7:30 a.m.—10:30 a.m.

If trucks are full, doors will close before 10:30a.m. (whichever occurs first)

Carroll County Residents are encouraged to stop by Pella Corporation's Southwest Loading Area (see map) with your electronic items on Saturday, September 17, from 7:30am—10:30am as items will be recycled in an environmentally safe manner by Midwest Electronic Recovery. There is **no charge** for this service, however we are accepting non-perishable food/cash donations this year to benefit the Carroll County Food Pantry. Businesses are not allowed to participate in this event.

Acceptable Items

- ◆ Computer Systems (monitors, hard drives, keyboards, mouse)
- ◆ Modems / Hubs / Routers
- ◆ Televisions (projection, LCD/LED, etc.)
- ◆ Printers / Fax Machines
- ◆ Cell Phones / Telephones
- ◆ Stereos / VCR's
- ◆ Video Game Systems
- ◆ No Appliances will be accepted

Limit of 5 Monitors &/or Televisions per vehicle

E-Waste Facts

- ◆ Over 100 million computers, monitors and TV's become obsolete each year in the US.
- ◆ About 300 million other consumer electronics such as cell phones and DVD players become obsolete each year in the US.
- ◆ E-Waste accounts for 40% of the lead and 75% of the heavy metals found in landfills.
- ◆ Consumers have, on average, 2-3 obsolete computers in their garages, closets or storage spaces.
- ◆ Computers contain valuable metals including gold, silver, palladium, platinum, aluminum and copper.

This 2016 e-Cycling Event is sponsored by these environmentally conscious companies
