

**Carroll Police Department  
Traffic Enforcement Request**

The Carroll Police Department actively responds to complaints of reoccurring speeding violations and other inappropriate driving infractions within the City of Carroll. Community members may notify the police department of poor driving behavior by calling 712-792-3536 and providing information for a Traffic Enforcement Request (TER). Your request will be forwarded and an officer will be assigned to take enforcement action.

You may also print out the Traffic Enforcement Request (TER) and fax it to 712-792-8088. Provide the information requested below. This form should also be used for on-going speeding or driving problems in your neighborhood.
