City of Carroll

112 E. 5th Street Carroll, Iowa 51401-2799 (712) 792-1000 FAX: (712) 792-0139

MEMO TO: Mike Pogge-Weaver, City Manager

FROM: Randall M. Krauel, Director of Public Works

DATE: November 21, 2017

SUBJECT: Pavement Joint and Crack Sealing Proposal

The current Budget includes Road Use Tax funding for roadway sealing. The amount of funding allocated for sealing is $32,000.00.

Proposals have been requested and received for joint and crack sealing the following street segments:

Main Street: 1st Street to 13th Street
Clark Street: UPRR to SARH

The proposal costs are summarized as follows:

	Main St.	Clark St.	Total
Bargen, Inc.	$66,879.64	$8,992.70	$75,872.34
Denco	No bid; cannot complete this year		
Midwest Coatings Co., Inc.	$37,500.00	$4,800.00	$42,300.00

Each of the contractors has a proprietary method of sealing. The Midwest Coatings Company, Inc. method appears to be satisfactory.

In an effort to avoid partial completion of a street segment based on currently budgeted funds, it is recommended to fund the budget shortfall from balances.

RECOMMENDATION: Mayor and City Council consideration and passage and approval of the Resolution Accepting Proposal for Pavement Joint and Crack Sealing of Midwest Coatings Company, Inc. in the amount of $42,300.00
