SUBJECT: Resolution Covering Street Lighting Changes
500-800 Blocks of E. 30th Street

A request for street light installation in the 500-800 Blocks of E. 30th Street, east of Grant Road, has been received, reviewed and determined to be acceptable under the Street Lighting Policy. Attached is a Resolution Covering Street Lighting Changes to authorize the addition of three street lights. The street lights are proposed to be attached to existing power poles. Utilization of existing power poles results in a street light spacing that varies from the Street Lighting Policy. To compensate for the variation, 250-watt street lights are recommended. The monthly cost of the three additional lights is $30.06.

The projected impact of the monthly cost of the additional lights on the Budget is estimated as follows:

F.Y. 19-20 Budget	$168,000.00
F.Y. 19-20 Estimated Expenditure – 11-07-19	$160,687.94
Resolution Addition – 6 months	$ 180.36
F.Y. 19-20 Estimated Expenditure	$160,868.30

RECOMMENDATION: Mayor and City Council consideration of passage of the Resolution Covering Street Lighting Changes for the 500-800 Blocks of E. 30th Street.
