SUBJECT: Report of Bid Opening – 100" Front Mount Mower – Golf Course

Pre-Bid Estimate: $40,000.00

On June 21, 2021, two bids were received at the time of the bid opening. The low bid that met all of the bid requirements was:

	100" Mower	Trade-In 2017 72" Kubota 3990	Final Cost
Van Wall Equipment, Madrid, IA	$39,875.49	($7,900.00)	$31,975.49

The above mower met all the specifications outlined in the bid documents. Staff specified four-wheel drive for this mower, which is beneficial on a golf course with a few steep hills. This especially helps from tearing up the wet dewy grass during the morning hours. In addition, an air ride seat was specified for the extended hours our employees will be on the mower.

RECOMMENDATION: Mayor and City Council consideration and approval of the bid from Van Wall Equipment, Madrid, IA for the final cost of $31,975.49.
