CARROLL VOLUNTEER FIRE DEPT.

801 N. BELLA VISTA DR.
CARROLL, IOWA 51401

MEMO TO: Mike Pogge-Weaver, City Manager

FROM: Greg Schreck, Building/Fire Safety Official GS

DATE: August 16, 2021

SUBJECT: Scott Air Pack Purchase

Included in the F.Y. 21 – 22 Fire Department Budget is $16,200.00 for the replacement of three of the Department's aging Self-Contained Breathing Apparatus (air packs). As required by the City Purchasing Policy, I have solicited price quotes for the three Scott X3 Pro 2018 from three vendors:

Clarey's Safety Equipment Company	Rochester, MN
Feld Fire	Carroll, IA
MES	Freemont, NE

I received quotes from two of the three venders as follows:

Feld Fire	Carroll, IA	$15,013.50
MES	Freemont, NE	$15,028.11

Clarey's Safety Equipment indicated that Carroll is outside of their authorized Scott Sales Territory and therefore were unable to submit a quote.

RECOMMENDATION: Mayor and Council consideration and approval of the purchase of three Scott X3 Pro 2018 Self-Contained Breathing Apparatus (air packs) from Feld Fire at their quoted price of $15,013.50.
