

Recycle Bin Gift Exchange

If you have never had a recycle bin, or have a broken,
damaged or cracked recycle bin,
we have a gift for you!

During the month of December a new recycle bin
is waiting for you at the Recycling Center!

New to recycling? Just pick one up!

Have an old damaged recycle bin? Bring it in
and exchange it for a new one!

Have a good bin but would like a recycling decal to
add to your existing bin? Stop in, we'll give you one!
