Police Department

As reported by Brad Burke, Police Chief

Routine Activities for the month:

On April 1st, 6th grade students from St. Lawrence Middle School graduated from DARE. Sergeant Gary Bellinghausen is the DARE instructor and held a ceremony in the St. Lawrence gym for family and friends.

On April 4th, Officer Nathan Christian completed his pre academy fitness testing. He begins the 14 week basic academy at the Iowa Law Enforcement Academy (ILEA) on April 18th. He will complete the academy on July 22nd.

Sergeant Bellinghausen attended an intelligence course in Des Moines from April 4th through April 15th.

Officer Tony Amdor graduated from ILEA on April 8th. He will finish his field training with field training officers before being on patrol on his own.

Sergeant JJ Schreck completed Crime Free Housing training on April 13th and 14th. The training was put on by the West Des Moines Police Department. This training allows the department to teach landlords how to protect their properties and help with tenant screening. The program is designed to create safe living areas for all tenants.

Officer Ethan Kathol attended the annual Iowa Police Officers Association seminar in Council Bluffs April 18th and 19th. He then attended Interview and Interrogation school April 25-27. All officers on the police department attend this school in their first few years of service to better their skills.

On April 28th, the Carroll Police Department assisted the Union Pacific Railroad on a railroad crossing project titled UP CARES. This project focused on crossing violations. The project is intended to educate drivers on the safety of crossing and remind them to not drive through or around crossing with flashing lights and barriers.

A summary of case investigations and a summary of citations and warnings issued for the month follows on page 5.

Special activities/accomplishments of particular note:

- 1) **Children's Programs:** Diane continued Rookie Storytime, Ivan the Reading Dog, and the read aloud program in the library this month. She also continued outreach storytime to area daycares and the Romp & Read program at the Carroll Rec Center. CPL also provided outreach services to the Kuemper and Carroll preschool programs on April 19th and 29th as well as a special Title I Reading Event at Fairview on April 28th. Dr. Whoot made several appearances at Fairview and Kuemper this month on April 4th and 11th for special outreach storytimes. The library hosted a special Earth Day event in conjunction with DMAAC on Saturday, April 23rd. SOAR was at the library to present a special earth day program on owls. They brought 2 large owls for the program and DMAAC students helped children color owls and read stories. Registration was also available for the 1,000 Books Before Kindergarten initiative for interested caregivers.

2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Ladies, Stress Relief Coloring, and the poetry group. The two book clubs finished the year with their final selections. They will resume in September with a new year of book selections. In addition, the library continued the Artist Trading cards program with Kelsey. The Read ‘em & Eat Book Club met for their third meeting to plan future events. There was a special poetry reading on April 5th in honor of National Poetry Month by Dennis Thompson and National Library Week was celebrated with the Friends Annual meeting and election of officers, a concert by Adam Miller, and Chamber Coffee during the week of April 11-16.

3) **Special Projects**

- a) **Everybody on the Same Page:** The Carroll County reading initiative concluded programs this month with a special concert by folk artist Adam Miller during National Library Week and book discussions held on April 21st and 28th. On May 2nd each library in Carroll County drew the name of the winner of the train ticket prize for the excursion train on the Boone Scenic Valley Railroad. Sherry Studebaker of Carroll was selected as the Carroll Public Library winner and her picture was submitted to the Daily Times Herald. Librarians are busy compiling stats for this program and meet in June to write a project report to submit to funders. Plans are underway to apply for grant funds to repeat the program next year.
- b) **Space Planning:** Kim Bolan & Associates are on schedule to deliver their initial concept for the current space as well as bubble diagrams of the expanded space. They have agreed to work with the architect once the location is decided for the future library if that service is requested.
- c) **Upcoming Events:** View upcoming events on the library’s Google calendar at www.carroll-library.org by clicking on the Calendar of Events link on the home page.
