- Draft financial policies
- Continue with office document purging
- Employee meetings for health insurance renewal – May 22
- Work with Rec Center on Perfect Mind software questions
- Continue to promote wellness program with employees
 - Wellness Coalition Meeting – May 17

Accomplishments of particular note:

- 302 utility bills and statements were emailed in April 2018.

Fire Department

As reported by Greg Schreck, Fire Chief

Routine Activities for the month:

The Department responded to five calls for service and held three training sessions in April.

On April 9th, Firefighters toured and pre-planned for emergency response to the Farner-Bocken Company (a division of Core Mark). The tour included a review of the building's fire suppression system and the location of the various employee entrance and exit points. After this tour and pre-plan, firefighters returned to the station for Bloodborne Pathogen annual refresher training.

On April 16th, the Department conducted a walk-through of the new Garden View Assisted Living facility to familiarize ourselves with the building layout.

Run Report for April:

Alarm Date	Alarm Location	Incident Type
04/03/2018	19705 W Hwy 30	Vehicle collision
04/08/2018	S Hwy 71 & 230 th	Vehicle collision

04/30/2018	105 E 6 th Street	Small natural gas leak

Police Department

As reported by Brad Burke, Police Chief

Routine Activities for the month:

Officer Patrick McCarty attended a narcotics detection training at Camp Dodge. The training was hosted by the Midwest Counterdrug Training Center. The training center offers free training to law enforcement and military personnel on narcotic related topics. The training took place from the 2nd through the 5th.

Officer Jeff Nichols graduated from the Iowa Law Enforcement Academy on April 18th. The 15.5 week basic training course is held at Camp Dodge and teaches the officer the basic knowledge needed in law enforcement. Immediately upon graduation he began his 10 week field training program within the department. He is scheduled to be on a patrol shift in late June.

Officer McCarty participated in an employment seminar at Carroll High School on the 18th. This training focused on dealing with individuals who use English as a second language.

Sergeant Jeremiah Hoyt was recertified as a TASER instructor on the 20th. The training, which was held in Sioux City, allows Sgt. Hoyt to administer training to officers on the use, handling, and legality of the TASER.

Officer Kenneth Bensley went to the Governor Traffic Safety Bureau's conference in Des Moines on the 25th and 26th. The conference focuses on traffic trends and highway safety.

Carroll Police partnered with the Carroll County Sheriff's Department in the National Drug Take Back event on the 28th. The DEA event allows for citizens to turn in unwanted, expired, or unneeded prescription and over the counter medication. By removing these items from your home, you are helping fight an opioid overdose crisis. The medication is turned over to the DEA who then destroys it in a controlled method.

Kuemper students at the St. Lawrence Center graduated from DARE on the 27th. This graduation is the culmination of a semester of work with Sergeant Gary Bellinghausen and the Carroll Police Department. Congratulations to the newest DARE graduates.

Special activities/accomplishments of particular note:

- Children's Programs:** Children's programming continued this month with the regular monthly schedule of Rookie Readers, Diane's Read-Aloud, Romp & Read, Pet Readers and outreach with book visits. In the month of April we celebrated Earth Day by continuing our partnership with DMACC to host the Carroll Animal Rescue League and Ivan, the therapy dog. Participants learned about service dogs, got to see Dr. Whoot, and learn about programs the library has to offer such as, 2018 Summer Reading Program, Pet Readers, and 1,000 Books Before Kindergarten. Due to the rainy weather, we only had 130 attend the program. Diane also hosted special storytimes to promote the Everybody on the Same Page (ESP) program theme Choose Kind with the book *We're All Wonders* by R.J. Palacio. Other ESP programs this month included book club discussions, Family Crisis Center discussing bullying, and showings of the movie *Wonder*.

- 2) **Adult & Teen Programs:** Adult and Teen programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Library Ladies, Book Club, Teen Advisory Group (TAG), and the Poetry Group. During National Library Week, Rachel went out to the Carroll Middle School Media Center to talk about programs the library offers and had the students participate in a library scavenger hunt. During the scavenger hunt, students had to locate a variety of different resources in the library by utilizing the card catalog and their research skills. Rachel was also invited to read to first graders at Kuemper as their Mystery Reader and promote the enjoyment of reading. In honor of National Library Week, the Friends of the Library helped the library host a Chamber Coffee with 50 participants attending.
- 3) **Upcoming Events:** We have our Summer Reading events posted on Facebook, so check them out! View upcoming events on the library's Google calendar at www.carroll-library.org by clicking on the Calendar of Events link on the home page.
