Fire Department

As reported by Greg Schreck, Fire Chief

Routine Activities for the month:

The Department responded to three calls for service and held three training sessions in August.

Firefighters continued refresher training with the Jaws of Life vehicle extrication equipment. Quandt Auto Salvage provided vehicles for this training session. Firefighters also participated in a training session involving apparatus driving skills. Various driving courses were set up in the parking lot at Merchants Park to test and refresh the various driving skills firefighters may need to utilize in responding to emergency incidents.

The Department began putting together plans for a Community Open House to be held at the Fire Station Sunday, October 9th.

Run Report for August:

Alarm Date	Alarm Location	Incident Type
08/05/2016	160 th & Ranch	Vehicle collision
08/06/2016	1751 E Highway 30	False alarm
08/27/2016	510 E 18 th Street	Smoke report – no fire

Police Department

As reported by Brad Burke, Police Chief

Routine Activities for the month:

The police department purchased two new patrol vehicles from Champion Ford. Both vehicles are Ford Police Interceptor Utilities and are a special order. The expected delivery for both vehicles is in October with additional equipment to be installed once they arrive. The vehicles will be out on patrol as early as the middle of October.

Carrollfest was August 6th. The police department displayed a police car at the kid's fest portion of the event on Grant Road. Frisbees, t-shirts, stickers, and popsicles were given out to the kids who visited with the officer and sat in the car.

On August 18th the police department partnered with Culver's to hold Custard with a Cop. These monthly open forums are geared at answering question from the public and allowing the public a chance to meet and interact with the officers in a stress free environment.

The speed trailer has been deployed in areas around town where traffic picks up during the school year. This is used to remind drivers to watch their speed in these areas and also collect statistics that the department uses to determine enforcement activities.

A summary of case investigations and a summary of citations and warnings issued for the month follows on page 5.

Special activities/accomplishments of particular note:

- 1) **Children's Programs:** Summer storytime programming this month included special daycare story times at the library, Rookie Readers, Diane's read-aloud, and Ivan the Reading Dog. Outreach continued to the Breda daycare twice this month. Diane continued to provide a program for the Autism camp once per week on Tuesdays through mid-August. The summer reading program came to an end with children wrapping up their tracking on August 27th and teens and adults finishing up on August 31st. Prize drawings will be awarded in September as well as the Challenge Obstacle Course that will take place at the Rec Center.

- 2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Ladies, Stress Relief Coloring, Artist Trading Cards, and the poetry group. CarrollCon was held in Graham Park at the Band Shell on August 6th with Carrollfest. The venue was not ideal for this type of event and turnout was low. Not many vendors were willing to attend an outdoor event and were unhappy with the loading/unloading arrangements. We probably won't host another CarrollCon event in the future until we have a more appropriate space for programming in the library.

- 3) **Technology Updates:** Continuing the technology upgrades budgeted this year, Freegal Music was upgraded to a streaming service. Now patrons can get 3 songs per week to download as well as 3 hours per day of streaming. Since this change was made, song downloads have more than doubled. Hardware updates will continue in September with new monitors and keyboards for the remaining public computers as well as a few more database upgrades/additions.

- 4) **Space Planning:** The visioning session with OPN Architects was held on August 16th in the council chambers. OPN completed a survey of participants and gathered information to help them with their project directive. Additional information about library statistics was sent to them by library staff.

- 5) **Upcoming Events:** View upcoming events on the library's Google calendar at www.carroll-library.org by clicking on the Calendar of Events link on the home page.
