Summer reading came to end on August 26 with a total of 1,611 people registered. 2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Library Ladies, and the Poetry Group. Both of these groups got to experiment and learn with a variety of different items and materials including Makey Makeys, Ozobots, Snapcircuits, Strawbees, and a 3Doodler. We also hosted Suzi Parron for our barn quilt program where patrons got to learn about barn quilts and paint their own. Our last big event for August was the Solar Eclipse Viewing Party, which had a great turn out with many people coming and going for the event. We also had Laura Comito assisting kids create solar eclipse imprint artwork with nature objects during the solar eclipse.
