2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Library Ladies, Book Club, Teen Advisory Group (TAG), and the Poetry Group. TAG this month had an Ugly Sweater decorating program. Teens brought their own sweaters and the library provided the ugly to create them. There were also prizes for the ugliest, uglier, and ugly sweaters. The library was also invited by the NW IA STEM region to host a session at the one day Winter STEM Festival at DMACC. The library brought Ozobots, drawing color codes to tell a little robot what to do, to challenge kids to complete a winter scavenger hunt. The kids had fun naming their Ozobots and racing them.
