Rob from Aidex, a makerspace product company, came to discuss different products that could potentially be in a makerspace. Due to some of the equipment being damaged, we were unable to demo any of the products and have rescheduled a different time for Aidex to come and demonstrate. Mike Pogge-Weaver and I also hosted three referendum open houses for people to come and ask questions about the library/city hall project. We had 47 people come to discuss and ask questions regarding the project.

3) **Upcoming Events:**

- Makerspace Demo: September 27
- Band Day Parade: September 30
- Storywalk at Swan Lake: October 7
