## As reported by Greg Schreck, Fire Chief

Routine Activities for the month:

The Department responded to five calls for service and held three training sessions in July.

Firefighters continued to review basic truck operations. Individual firefighters were, again, required to show competency in fire pump and water flow operations of the various trucks utilized by the Department. Firefighters were also required to locate and explain the operation of the various tools in truck compartments. Firefighters rotated between trucks and were evaluated by a department officer as they completed their assigned task.

Firefighters began a series of training events at an abandoned two-story home located at 713 N. Crawford St. Search and rescue techniques in a smoke-filled environment were carried out by three-person teams. The Department uses a non-toxic smoke generating machine to create the extremely limited visibility situation firefighters face in actual situations. The Department will use this structure for training in August for additional training procedures.

Several members of the Department volunteered their time to provide fire watch for the fireworks display at Merchants Park held July 21<sup>st</sup>.

This position has been vacant since the retirement of Captain Mark Heino in November 2016. This Assessment Center took place on July 9 and was followed by Civil Service Commission interviews on July 12. The Civil Service Commission certified a list of the three candidates who applied which are Sergeant JJ Schreck, Sergeant Gary Bellinghausen, and Officer Ethan Kathol. Further interviews and testing have been completed and a promotion will take place by the end of August.

Sergeant Gary Bellinghausen attended the annual DARE conference from July 15-17. This annual training provides necessary update training for the program to continue to be successful while changing with the needs and demands of the students and schools.

Officer Ethan Kathol attended ALiCE Instructor training (Alert, Lockdown, inform, Counter, Evacuate) training at Camp Dodge in Johnston, IA on the 18 and 19<sup>th</sup>. Officer Kathol is 1 of 2 instructors which are used to train officers and residents on the reaction to an active threat situation.

All CPD Officers along with Carroll County Sheriff Deputies participated in active shooter training at the Carroll High School on July 24. This training prepared officers to work together and plan a response to an active shooter situation.
