### Special activities/accomplishments of particular note:

- Children's Programs:** Storytime programming this month included Rookie Readers, Diane's Read-Aloud, and Ivan the reading dog. Our summer reading programs began this month with the Rope Warrior, a magician, and Bubble Wonders. All summer reading events drew a large crowd. Dr. Whoot ran in two mascot races at a Merchants Park game hosted by the Carroll Young Professionals (CYP) and DMACC. Diane and Dr. Whoot were also at Relay for Life reading stories to groups of kids.

2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Library Ladies, and the Poetry Group. Donna and I had our first STEM camp of the summer with 3<sup>rd</sup> through 5<sup>th</sup> graders. On the first day the kids designed marble roller coasters and on the second day designed and tested parachutes and paper helicopters.

3) **Upcoming Events:**

- Dan Wardell, IPTV Reading Road Trip: July 25
- Makerspace Demo with Aidex: July 27
