# Fire Department

## As reported by Greg Schreck, Fire Chief

Routine Activities for the month:

The Department responded to one call for service and held three training sessions in May.

The members of the Carroll Fire Department recently completed a two-day training session involving fire development, ventilation, personnel accountability, and hands-on interior fire attack. Training was held at the Carroll Fire Station on Monday and Tuesday evenings (May 14<sup>th</sup> & 15<sup>th</sup>) and was presented by Jim Carpenter with Customized Firefighter Training based in Milford, IA.

During the classroom presentation, firefighters were given an in-depth look at how quickly fire can develop with the new construction materials and synthetic fabrics found in furniture, carpeting and decorative materials in homes and businesses today. The importance of firefighter respiratory protection from toxic smoke generated by these burning materials with the use of Self-Contained Breathing Apparatus (SCBA) was also stressed. Containing fire spread by limiting and controlling air movement within a burning structure was also discussed.

The hands-on portion of the training involved the use of a mobile 30' x 8' x 10' live fire burn simulator set up behind the fire station. Firefighters had the opportunity to enter a smoke and heat filled environment to extinguish fire and ventilate smoke. The burn simulator is trailer-mounted and utilizes propane gas controlled by the instructors for the fire and heat effect and hay bales for smoke generation. The environment within the trailer is as real as it gets and is a great teaching tool for our newer members and a great refresher for our more seasoned firefighters.

This type of training session is an on-going effort by the Department to maintain well-trained firefighters to serve our community to the best of our ability.

Funding for this training was provided through the Iowa Department of Public Safety.

Run Report for May:

Alarm Date	Alarm Location	Incident Type
05/15/2018	219 w 11 <sup>th</sup> Street	Trailer mounted grill fire

# Police Department

## As reported by Brad Burke, Police Chief

Routine Activities for the month:

On the 1<sup>st</sup>, Sergeant JJ Schreck participated in the Carroll High School safety fair. Googles were provided by the Department of Public Safety to imitate being impaired and students were required to do normal activities such as shooting a basketball into the hoop and navigating a maze while simulating intoxication. The intent is to teach the students that their abilities are minimized while impaired on alcohol or narcotics which can be dangerous to their health and that of others.

Sergeant Gary Bellinghausen attended School Behavioral Threat Assessment training on the 1<sup>st</sup>. This training presents changes to the Iowa Code which will require school districts to create policy and teams to handle threats towards the schools. The class was presented by the Iowa's Area Education Agency.

Officer Ethan Kathol was recertified as a firearms instructor on May 3<sup>rd</sup>. This training takes place at the Iowa Law Enforcement Academy (ILEA) and allows the officer to instruct on firearms training. The Carroll Police Department qualifies multiple times per year on firearms and completes many hours of training with firearms all while being supervised by a Firearms Instructor.

On May 8 and 9, the Carroll Police Department hosted an Advanced Roadside Impaired Driving Education course. This course is sponsored by the Governor's Traffic Safety Bureau and instructed by impaired driver instructors and Drug Recognition Experts. Sergeants Jeremiah Hoyt and Schreck, and Officer Jason Kirsch attended the training event as well as officers from many surrounding communities.

Officers Tony Amdor and Nathan Christian attended an interview and interrogation training put on by the CTK Group in Waterloo the 15<sup>th</sup> through the 17<sup>th</sup>. This advanced interview training gives the officers the skills needed to get more information from victims, suspects, and witnesses in a scientific form. All officers attend this type of training within the first few years of employment with the City of Carroll.

The last two weeks of the month, around 200 elementary students visited the police department and were given tours and equipment demonstrations. The students were from both the Carroll and Kuemper school systems. This yearly activity is enjoyed by the officers and students and allows for many questions the students have to be answered.

### Special activities/accomplishments of particular note:

- 1) **Children's Programs:** Children's programming continued this month with the regular monthly schedule of Rookie Readers, Diane's Read-Aloud, Pet Readers, and outreach events. Diane began her Summer Reading Commercials in May to promote the performers coming to visit the library this summer by visiting Kuemper, Carroll, and Ar-We-Va schools. Dr. Whoot also paid a special visit to the Kuemper preschool and optional kindergarten classes to share his favorite books and answer questions about owls.

2) **Adult & Teen Programs:** Adult and Teen programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Library Ladies, Book Club, Teen Advisory Group (TAG), and the Poetry Group. The library finished out the Everybody on the Same Page program with State Patrol Officer Shelby McCreedy where she discussed when bullying becomes a criminal act. The library also hosted Kathy Wilson to reveal the realities of domestic service at Highclere Castle, the real Downton Abbey, during the early 20<sup>th</sup> century.

3) **Upcoming Events:**

We have our Summer Reading events posted on Facebook, so check them out! View upcoming events on the library's Google calendar at [www.carroll-library.org](http://www.carroll-library.org) by clicking on the Calendar of Events link on the home page.
