Summer Reading Commercials kicked off this month with Diane talking to school kids about the summer reading shows and how to participate in the summer reading program. Dr. Whoot visited Accura Healthcare to attend a Pen Pal Party, where school kids got to meet their elder pen pals that they had been writing to throughout the school year.

- 2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, the Crafty Library Ladies, Book Clubs and the Poetry Group. The library has been working with 7th and 8th grade English teachers at the Carroll Middle School to provide books with more complex story lines and more mature content than what the middle school can provide in their library with the library having to ensure all library materials are adequate for 5th through 8th grade. The Carroll Public Library's young adult section has seen increased usage with the middle school with 143 additional circs!
