Special activities/accomplishments of particular note:

- 1) **Children's Programs:** Story time programming this month included Rookie Readers, Diane's Read-Aloud, and a special story time program from Usborne author Michelle Nelson-Schmidt. Outreach continued to area daycares and to the Romp & Read program at the Rec Center. The Reading Tree book donation program began before Thanksgiving. New books are requested for this program to give to area children in the month of December.

- 2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Ladies, Noon Book Club, Evening Book Club and the poetry group. There were two special author events held in November. New York Times bestselling author Allen Eskins was at CPL for a book signing on Saturday, November 19, 2016. The library also welcomed Linda McCann who presented a program about her book *Prohibition in Eastern Iowa* on November 8, 2016. The month-long Nanowrimo programming wrapped up on November 30th. Nanowrimo or National Novel Writing Month is a fun personal challenge to write a 50,000 word novel in 30 days.

- 3) **Friends of the Library Book Sale:** The library was transformed the first week of the month into a bookstore with the Friends Annual Book Sale held from November 3-5, 2016. The Friends had another very successful sale and worked hard that week to set up and take down. Many volunteers helped to set up tables, move and organize books, and work the cashier table.

- 4) **Upcoming Events:** View upcoming events on the library's Google calendar at www.carroll-library.org by clicking on the Calendar of Events link on the home page.
