Special activities/accomplishments of particular note:

- Children's Programs:** Children's programming continued this month with the regular monthly schedule of Rookie Readers, Diane's Read-Aloud, Pet Readers, and outreach with book visits. Additional children's programs included preschool children visiting the library for a field trip where they toured the library, learned about how to take care of books and then check out books. Fairview and Kuemper preschools do not have access to their school libraries and the teachers greatly appreciate the public library offering this service. Dr. Whoot and Diane also attended Title 1 Family Night where teachers instruct parents on how to help their child become stronger readers and encourage public library use. Diane signed families up for library cards and the younger kids for the 1,000 Books Before Kindergarten program.

- 2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Library Ladies, Book Club, Teen Advisory Group, and the Poetry Group. We hosted an event for local authors Glen Braddy and Dick Tighe to sign and sell their books. This event was well received with many remembering Dick Tighe being a teacher or coach of theirs. We also hosted a Reclaim Your Holidays program in partnership with Anjanette Treadway from ISU Extension Office and Carroll Area Nursing Service. Participants learned of ways to de-stress during the holidays and created some DIY crafts to give away as gifts.
- 3) **Friends of the Library Book Sale:** The second week of November the Friends of the Library hosted their Annual Book Sale held on November 10-11. The Friends had another successful sale by finding new homes for many books, audiobooks, and DVDs. Volunteers were hard at work setting up tables, moving and organizing books, working the cashier table, and tearing down tables at the end.
- 4) **Upcoming Events:**
