Special activities/accomplishments of particular note:

- Children's Programs:** Children's programming continued this month with the regular monthly schedule of Rookie Readers, Diane's Read-Aloud, and outreach with book visits. Additional children's programs included a Storywalk where children read a story as they walk and Spooky Stories with Mike Anderson. Due to poor weather conditions, the Storywalk was moved from the Swan Lake Park to inside the library. Dr. Whoot attended the Storywalk and greeted 51 participants. To get in the spirit of Halloween, we had Mike Anderson come and tell some of his spooky stories to a group of 49 participants.

2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Library Ladies, Book Club, and the Poetry Group. Kelsey Hall, the teen librarian, started a teen advisory group this month by inviting teens to come discuss what teen programs they would like to see the library host and what volunteer opportunities they would like to participate in. We had a variety of STEM activities out for kids during the few days they didn't have school as well.
