Fire Department

As reported by Greg Schreck, Fire Chief

Routine Activities for the month:

The Department responded to ten calls for service and held four training sessions in August.

The Fire Department participated in the Carroll Band Day Parade in addition to the Kuemper and Carroll Homecoming Parades. The Department also participated in the Touch a Truck, a promotion as a benefit for the Food Pantry. This event was held September 28th at St. John's Lutheran Church.

The Department conducted a controlled burn of the abandoned house at the Municipal Golf Course on September 23. Weather and wind conditions were very favorable for this event. For the past year, this house provided the opportunity for many valuable training exercises for Fire Department members. The Police Department also utilized this house for several police training sessions. Parks and Recreation Director Jack Wardell will make arrangements for the removal of the home's foundation and backfilling the basement cavity with fill-dirt. Water service piping from the City watermain will also be disconnected and capped at the main.

Police Department

As reported by Brad Burke, Police Chief

Routine Activities for the month:

On September 11, Sergeant Gary Bellinghausen began the DARE program at the Carroll Middle School. The program will run the first semester at the CMS then the second semester will be at Kuemper Middle School.

Senior Fun Day was on the 20th at the Carroll Recreation Center. Sergeant Bellinghausen was present to provide information on scams, personal protection, and answer questions that event goers may have had.

The 22nd kicked off the parade season in Carroll with the Kuemper Homecoming parade. Carroll High School homecoming parade was on the 29th and concluding the season was the Band Day parade which was held on the 30th. All events were successful with many road closures and detours during the events.

St John Lutheran Church held a touch a truck event on the 28th. Officer Nathan Christian was at the church for the event allowing people to see and touch a patrol car while answering questions from the public.

All officers' received new portable radios on the 26th and a training on the use took place that day presented by the Carroll County 911 Center. The radios were purchased in part with a large grant from the State 911 fund. This grant covered 75% of the costs of the radio saving the City thousands on the update.

Special activities/accomplishments of particular note:

- 1) **Children's Programs:** Storytime programming this month included Rookie Readers, Diane's Read-Aloud, and Water Tales in conjunction with the Rec Center to introduce kids to swimming and swim lessons. Diane also did a lot of outreach this month with book visits to daycares in the community and performed various storytimes at Head Start. On September 30, the library and Dr. Whoot participated in the Band Day parade. Many kids recognized Dr. Whoot by yelling his name and waving at him during the parade.

2) Adult & Teen Programs: Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Library Ladies, and the Poetry Group. We hosted a Makerspace Demonstration to allow people to see what types of makerspace technologies are available and to evaluate what equipment people would want to see in the new makerspace. The Carroll Young Professionals also hosted a lunch and learn in conjunction with the Makerspace. A total of 66 people attended the demonstration and many kids enjoyed seeing the innovative technology. I (Rachel) spent a day at Carroll High School teaching freshman students in Mrs. Klocke's English classes how to utilize the various databases through the Carroll Public Library website. Many new library card accounts were created to give to the students and many of the kids were surprised by the online services we offered.

3) Upcoming Events:

- Library Friends Book Sale: November 10 & 11
- Reclaim Your Holidays with ISU Extension: November 16
