Routine Activities for the month:

The Department responded to five calls for service and held three training sessions in September.

Firefighters continued training in basic dry hydrant water supply operations. The Department currently maintains two dry hydrants located outside the city limits but within our fire protection district. One hydrant is located at the gravel pit, ¼ of a mile east of Olympic Avenue, on 240th Street. The second one is located near the fish house at Swan Lake. These dry hydrants were installed by Department members approximately 10 years ago as a secondary water supply for rural fires occurring in proximity of their location. A dry hydrant provides water by utilizing a pumper truck drafting or pulling water from the source to the truck pump and discharging or filling tanker trucks for rural fire water supply.

Several members of the Department attended the Carroll County Firefighters Association meeting at the Manning Fire Station September 17th. The Region V Hazardous Materials Unit of the Fort Dodge Fire Department provided required refresher training for attendees.

The police department participated in the National Guard 5K on the 15th. The event was used as a recruiting tool for the National Guard while also displaying first responders from the area. The Fire Department, Carroll County Sheriff and Carroll County Ambulance also assisted in the event.

Sergeant Bellinghausen and Officer Ferrin participated in the Senior Day event on the 19th at the Carroll Recreation Center. K9 Eudoris was on display and did a small demo for the audience.

Officers Ethan Kathol and Tony Amdor took part in active shooter interdiction training at Camp Dodge on the 24th and 25th. This training certified them as instructors on training officers how to respond to and stop an active shooter event.

Special activities/accomplishments of particular note:

- 1) **Children's Programs:** Children's programming continued this month with the regular monthly schedule of Rookie Readers, Diane's Read-Aloud, Pet Readers, Summer Storytimes, and outreach events. We had some lower attendance numbers this month due to Diane being on vacation.

- 2) **Summer Reading Program:** Summer Reading finished up this month on August 11 with a total of 1,423 registered and 549 completing the program. We changed up the All Stars, grades 5-8, and the Hall of Fame, high school and adults, program this year by having prize baskets to put their name in after every 500 pages they read. 2,500 pages was the ultimate goal to receive their yard sign. We encouraged participants to continuing reading after reaching 2,500 pages by allowing them to still put their name in for the prize baskets. Winners of the Summer Reading prizes included: Harrison Krieger, Olivia Lechtenberg, Moyer Olberding, Caitlin Yetmar, Aeri Kral, Christian West, Natalie Wernimont, Catherine Conner, Elias Messer, Esme Wood, Sharon Kasperbauer, and Autumn Strasser.

- 3) **Adult & Teen Programs:** Adult and Teen programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Library Ladies, Teen Advisory Group (TAG), Yu-Gi-Oh Duel Club, and the Poetry Group. The library hosted Tim Tracy, music historian and children's librarian Miss Diane's husband. He took library patrons time traveling to learn the stories of songs and artists of 20th century pop songs. These songs brought back a lot of nostalgia for patrons and gave them background to their favorite songs growing up. Patrons even joined in and helped sing a song Tim wrote for the library, Libraries Rock! This program was well attended by 46 patrons.

Special activities/accomplishments of particular note:

- 1) **Children's Programs:** Children's programming continued this month with the regular monthly schedule of Rookie Readers, Diane's Read-Aloud, Pet Readers, and outreach events with book visits starting back up this month to various daycares in the area.

- 2) **Adult & Teen Programs:** Adult programs continued this month with the regular monthly schedule of Tech Help Fridays, Crafty Library Ladies, and the Poetry Group. The Teen Advisory Group decided not to meet this month due to school starting back up and will not meet again until the library renovations are complete due to the lack of space in the temporary location. Clair Snyder brought in woodcarvings of his including local fish, ducks, birds of prey and shore birds. In conjunction with the viewing of the woodcarvings, the library had Matt Wetrich, Carroll County Conservation Naturalist, come talk about what makes birds so fascinating to watch and how to identify them. Both of these events were well attended with a total of 49 participants.
- 3) **Library Closed:** The library took a week and a half to move to the temporary location. Due to the library move and Labor Day, the library was only 10 days in the month of September when we would normally have been open 24 days. The library can be found behind Pizza Ranch and in between Serendipity Acting Studio and Fastenal at 425 US Hwy 30 #340, Carroll, IA 51401. Look for the outside book return. Come see us and check out the new space!
