Routine Activities for the month:

The Department responded to seven calls for service and held three training sessions in September.

Department members held a farm equipment extrication exercise at Haley Equipment on September 16. Firefighters utilized an old combine corn head and our rescue manikin to simulate a subject being entangled in this piece of equipment. Our hydraulic rescue equipment was used to free the practice subject from the corn head. This training was rated as very good by our members as we approach the harvest season.

Firefighters are preparing for our annual Firefighters Dance to be held November 2, 2019. The Department will conduct residential ticket sales on Monday evenings in October.

Police Department

As reported by Brad Burke, Police Chief

Routine Activities for the month:

Officers Patrick McCarty and Blake Fiferlick were certified as marijuana analysis by the Iowa DCI Crime Lab. The training took place from the 16th to the 19th. The police department tests marijuana in our lab located at the police department for local charges as well as for roughly 15 other agencies in the area. There are three certified officers to test marijuana and the results are used as evidence in court hearings.

Captain Ethan Kathol and Sergeant Gary Bellinghausen attended C3 De Escalation training in Jefferson on the 17th and 25th. This training is intended to give the officers training to help those in a mental health crisis. C3 stands for Calm Circuit Connection and can help angry or distraught individuals calm down and gain control over themselves.

Captain Kathol taught active shooter response training to employees at Smithfield Foods in Carroll on the 19th. The training gives the employees response tactics and helps the company prepare to handle an emergency event.

Officers participated in the quarterly fitness testing on the 26th. It is mandatory for officers to participate in the testing and there is an incentive of comp time for passing the test.

Kuemper High School Homecoming parade was on the 27th. Officers assisted with street closures and leading the parade route.
