

The best gift you can give this year is the gift of your used paper & cardboard.

RECYCLE 

We are currently facing shortages in the recycling feedstock needed to produce new paper products. Items such as toilet paper, paper towels, food & shipping boxes, sheetrock & insulation use as much as 50% recycled materials to produce.

Curbside, Rural & Business Recycling Programs

are provided in our service area. If you are new to recycling, give us a call, we have a free recycle bin for you. (one per household) Full Recycling details are available on our website.
