

CARROLL VOLUNTEER FIRE DEPT.

801 N. BELLA VISTA DR.
CARROLL, IOWA 51401

Greetings from the Carroll Volunteer Fire Department!

As you are probably aware, each year in October, the Carroll Volunteer Firefighters conduct their one and only fund raiser of the year, the Annual Firefighters Dance. This year will be our 99th. It was our hope that this year we could return to our normal door-to-door ticket sales to meet with you asking for your financial support. However, due to concerns regarding the rise of COVID cases in our area, we have made the difficult decision to cancel our dance again this year. We understand that presently we have all gotten mixed messages and information about the recent uptick in COVID-19 cases. As Firefighters, we are responsible for providing public safety for all members of our community. As part of this responsibility and decision-making process, we did not want to take any potential risk, regardless of chances, of spreading the virus that our door-to-door ticket sales interaction may bring.

This year we are again asking for your continued support of our organization through donations by mail to the Carroll Volunteer Fire Department, 801 Bella Vista Dr., Carroll, IA 51401. Donations may also be sent through a Venmo app. Please search for "Carroll Fire Dept", or @Carroll-FireDept. Be assured that your contribution will go directly to the Volunteer Fire Department. Last year, as a result of your generosity, we were able to purchase battery powered vehicle extrication equipment. This new extrication equipment gives firefighters greater flexibility in freeing victims that may be trapped as the result of vehicle crashes. This year, our goal is to purchase new smoke ventilation fans.

The Volunteer Firefighters would like to thank you for your past support of our organization and thank you in advance for any contribution you are able to make this year.

***** REMEMBER TO CHECK YOUR SMOKE DETECTORS *****

Sincerely,

Carroll Volunteer Fire Department Dance Committee
