

Fire Department

As reported by Greg Schreck, Fire Chief

Routine Activities for the month:

The Department responded to seven calls for service and held three training sessions in September.

Department members held a farm equipment extrication exercise at Haley Equipment on September 16. Firefighters utilized an old combine corn head and our rescue manikin to simulate a subject being entangled in this piece of equipment. Our hydraulic rescue equipment was used to free the practice subject from the corn head. This training was rated as very good by our members as we approach the harvest season.

Firefighters are preparing for our annual Firefighters Dance to be held November 2, 2019. The Department will conduct residential ticket sales on Monday evenings in October.
