

# CELEBRATE NATIONAL LIBRARY WEEK

## APRIL 23—29, 2023

**April 1—18: One-Page Story Challenge.** Do you have a favorite book (or story)? Would you like to see a different ending or have an idea for what happened? Let us know your ideas by entering this challenge! We're looking for one page ideas, so get creative... draw, write or "do you" —as long as it fits on one sheet of paper we'll accept it. Entries will be displayed inside the library during National Library Week.

**Friday, April 21, 8—9 a.m.**—We're starting off National Library Week with a Chamber Coffee in our Maker Space. If you haven't been to the remodeled library this is a great opportunity to meet the staff and take a library tour. (Spoiler, have you seen the Children's Library?)

**Week Long Activities:** Help us create a community pixel art poster in Maker Space! What a fun way to work together and give the library some color.

Buttons anyone? Bring in your design or do it on the fly! Our staff will be on hand to help make a fun library keepsake button.

You've made a button and helped with the pixel art, now what? Write us a message on the Maker Space glass. It's National Library Week lets hear what you think of the library, words or pictures, we want it all! Anyone can join in and give it a try because "There's More to the Story".

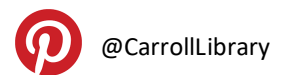

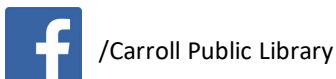

Did you know we have a **Friends of the Library Group**? Find out more about their volunteer opportunities inside the Maker Space. This group is always looking for more friends (and their ideas).

**Who can resist a Book Sale?** Come into the Large Meeting room all week and get bargains of books! Ok, we'll also have magazines and other donated odds and ends. Everything is .25 unless otherwise marked. All proceeds go to the Friends who support library activities. See ya there!
