MEMO TO: Honorable Mayor and City Council Members

FROM: Aaron Kooiker, City Manager

DATE: March 20, 2024

SUBJECT: Carroll Area Access Television Coordinator Agreement Amendment

After the February 26 Council Meeting, Council requested more information regarding Carroll Community School District's interest in funding their school board meetings on Carroll Area Access Television Channel 6 (CAAT6) and if those changes would mean an increase in cost. After a discussion with Superintendent Dr. Casey Berlau, he advised that they were not interested in paying for their meetings to be on CAAT6. Their meetings can be viewed on other platforms.

Also checking with City Attorney, council has the authority to determine what is broadcast on the CAAT6 Channel. In the past the Council has felt that having the County Board of Supervisors and School Board meetings has been beneficial to the public. The funding source is the franchise fee paid by Western Iowa Networks and Mediacom subscribers. As a City, we are the only entity that receives this franchise fee and these funds are supposed to support CAAT6 and then can be used for any lawful purpose.

Jason Lambertz has requested that his contract with the City regarding CAAT6 be adjusted for cost of living and costs of equipment. Currently the contract pays \$300 per week to oversee the community calendar and \$90 per video that is edited and ran. This has been the ongoing cost for the last 10 years.

Mr. Lambertz would propose a change to \$400 per week for the community calendar and \$100 for every meeting recorded and broadcast and \$70 for every meeting downloaded and edited for broadcasting on the channel.

RECOMMENDATION: Council action items:

- 1. Discussion of any change in services provided.
- 2. Approval of a resolution for an amended contract.

BY-LAWS OF CARROLL AREA ACCESS TELEVISION

Introduction

On April 11, 2005, the City of Carroll ("City") renewed its cable television franchise with MCC Iowa, LLC, doing business as Mediacom ("Mediacom"). Included in the ordinance renewing the Mediacom franchise is paragraph 3.14 "Education and Government Access." This paragraph of the franchise states that Mediacom will provide an additional public access channel with a grant for construction costs and an additional capital grant for equipment and facilities for the additional access channel. Public, educational and governmental ("PEG") channels are provided by the 1992 Federal Cable Act, 47 U.S.C. Section 531.

Purpose

It is the purpose of these By-Laws to create a citizens' Board of Directors to oversee the operation of this new access channel. This Board shall be known as the "Carroll Area Access Television (CAAT) Board." Those serving as directors on this Board shall do so as volunteers. Their stated purpose will be to supervise the operation of this channel so that the channel will accomplish the purpose of serving the public, and furthering the public, educational and governmental uses of this local access channel within the intent of the 1992 Cable Act.

Organization

The City hereby designates the CAAT Board as a volunteer organization with the following structure:

The Board shall consist of at least five and not more than nine persons. No less than two persons shall be designated representatives from each of the school systems located in the City of Carroll. One representative may be nominated from the Carroll Chamber of Commerce. At least two other persons shall be community representatives. The City Manager of Carroll shall be an ex-officio member without voting power.

The charge of this Board shall be to supervise the operation of the local access channel created by the 2005 Franchise Agreement between the City of Carroll and Mediacom including but not limited to programming content, fees, personnel to operate the channel, and any other general tasks necessary to see that the channel serves the public interests. Included in the tasks of the Board will be regular meetings to set policy for the operation of the channel, and to receive reports from the Coordinator of the channel. Meetings may be set at such intervals as the Board determines are necessary for the carrying out of these tasks. The CAAT Board will adopt access policy and procedure guidelines for administration by the Coordinator, and amend these guidelines from time to time as may be required.

An additional duty of the CAAT Board will be to hear and decide appeals of programming decisions made by the Coordinator, when a program provider is dissatisfied with a

decision of the Coordinator. Appeals will be held on adequate notice to the dissatisfied person(s). Decisions on appeal will be by majority vote of a quorum of the Board. No further appeal shall be allowed.

Coordinator

The regular, daily operation of this local access channel will be conducted by the Coordinator. The Coordinator will be hired by the City Manager. The duties of the Coordinator will include but not be limited to the following:

- 1. Deciding which programs are broadcast on this CAAT access channel, and which programs should not be broadcast. The Coordinator is expressly charged with preventing the broadcast of obscene material, sexually explicit material, indecency, nudity or material soliciting or promoting unlawful conduct.
- 2. Requiring that each provider of programming for the CAAT channel must sign a CAAT Channel Agreement proving among other things that the programs provided are suitable for broadcast to the general public, do not violate the above—stated decency standards, and that the program provider will indemnify the City of Carroll from any violations of law including but not limited to libel, slander or copyright infringement actions.
- 3. Reporting periodically to the CAAT Board at regular meetings or special meetings including the programming content, projected changes in programming, and the specific compliance by the program providers with the cable access policy and procedure guidelines adopted by the CAAT Board.
- 4. Collecting any fees for either copying video tape or DVDs, or any other fees for services provided by CAAT.

Any compensation for the Coordinator must be approved by the City Manager, who will also have authority to replace the Coordinator should that ever be necessary

Nomination of Board Members

Members of the CAAT Board will be nominated by the City Manager, with approval by the City Council of Carroll. Their terms will be indefinite, and it is requested that any Board member desiring to end his or her service as a Board member should give the City Manager 60 days notice in advance so that the position may be filled. Board Members may be removed and/or replaced by the City Manager, with approval by the City Council of Carroll.

Board members shall not have the authority to expend money of the City of Carroll, but if expense money is needed for purposes of this Board, they may make such requests through the City Manager.

Manner of Acting

The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board. A director shall be considered present at a meeting of the Board of Directors or of a committee designated by the Board if he or she participates in such meeting by conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other.

Presumption of Assent

A director of the corporation who is present at a meeting of the Board of Directors at which action on any matter is taken shall be presumed to have assented to the action taken unless his or her dissent shall be entered in the minutes of the meeting or unless he or she shall file his or her written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof, or unless he or she shall forward such dissent by registered or certified mail to the Secretary of the Board immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

Indemnification

The City of Carroll and its insurer shall indemnify any director, Coordinator or employee of CAAT against all expenses and liabilities reasonably incurred by or imposed upon him or her in connection with any proceeding or settlement to which he or she may be made a party, or in which he or she may become involved, by reason of his or her being or having been a director, Coordinator or employee of CAAT except in such cases wherein the director, Coordinator or employee is adjudged to be liable for misconduct in the performance of duty, provided that in the event of a settlement the indemnification herein shall apply only when the Board of Directors approve such settlement and reimbursement as being for the best interests of the corporation. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer may otherwise be entitled.

Amendments

These Bylaws may be altered, amended or repealed and new Bylaws may be adopted only by resolution of the Board of Directors.

VI. GUIDELINES FOR ENFORCEMENT PROCEDURE

- A. When the Telecommunications Production Coordinator determines that there has been an apparent violation of any of the guidelines that have been previously mentioned in this document the Telecommunications Production Coordinator may:
 - 1. With regard to alleged violations of any of these guidelines and procedures he/she will send the user written notification of the alleged violation and advise the user of her/his right to meet with the Telecommunications Production Coordinator before a final determination, including possible sanctions, is made. The user shall be advised that her/his request for a meeting must be made to the Telecommunications Production Coordinator orally or in writing within two weeks of the date of the letter of notification.
 - 2. Immediately suspend cablecast of a program, provided that the program contains alleged violations of procedures previously stated in these guidelines, or provided that continued cablecast of the program would create clear and substantial risk of legal liability for Public Access Channel. In the event of suspension of Cablecast, the user shall be sent written notification of the alleged violation within 48 hours of the suspension. Copies of that notice shall be sent at the same time to all members of the CAAT Board, City Council and City Manager. All other procedures for processing alleged violations, indicated in the following section, shall also apply.
- B. After meeting with user, or if no meeting is requested, after two weeks from the date the user was notified of the infraction, the Telecommunications Production Coordinator

must take one or more of the following actions:

1. Take no further action.

2. Suspend for a period of time, or revoke in whole or in part, the user's rights to use the Public Access Channel.

3. Take such other action as is fair, reasonable and equitable.

C. No person shall have user rights suspended or revoked unless the Telecommunications Production Coordinator determines that the user's conduct is an aggravated infraction of the PEG Access Channel rules and regulations. In determining whether an infraction is aggravated, the Telecommunications Production Coordinator shall consider whether:

1. The user has been involved in previous infractions.

2. The infraction reflects a serious disregard by the user of the personal or property rights of others.

3. The infraction was intentional or demonstrated a willful disregard for these rules and procedures.

- D. The Telecommunications Production Coordinator shall notify the user in writing of a decision to impose sanctions as soon as possible. If the Telecommunications Production Coordinator suspends or revokes user rights and if the Telecommunications Production Coordinator determines that the user's conduct seriously endangered the person or property of others, the notice shall so state, and the revocation or suspension shall take effect immediately. Otherwise, sanctions shall not take effect until 20 days after the user is notified of the Telecommunications Production Coordinator's decision. The CAAT Board, Mayor, City Council and City Manager shall be sent a copy of any notice required by this section. If party is not satisfied with Telecommunications Production Coordinator's decision, they may appeal to the CAAT Board.
- E. Upon receipt of appeal from a user, the CAAT Board shall include the matter in its agenda, granting priority over all the other agenda matters except for the appeals made under this section. That portion of a CAAT Board meeting at which an appeal is heard shall be open to the public and shall be recorded. At the meeting the Telecommunications Production Coordinator shall describe any sanctions imposed and the basis for alleging a violation of the Public Access Channel's rules. The user shall then be entitled to testify regarding the alleged violation and any sanctions. Both user and the Telecommunications Production Coordinator may present witnesses or evidence related to the alleged violation. Public comment will be taken at the discretion of the Board.
- F. If the CAAT Board determines that there is sufficient basis to justify the Telecommunications Production Coordinator's determination of a violation of the Public Access Channel's rules, then that determination shall be affirmed. The CAAT Board may modify the Telecommunications Production Coordinator determination or any sanctions imposed or may make a new determination or impose new sanctions. If the CAAT Board determines there was no basis for the Telecommunications Production Coordinator's determination of a violation of the Public Access Channel's rules, the CAAT Board shall remove any sanctions which were based upon the determination. All decisions made by the CAAT Board shall be final and conclusive.

VII.MISCELLANEOUS RULES AND REGULATIONS

There will be no charge for playing videos over the channel.

The Telecommunications Production Coordinator can make copies of CAAT and City programs at her/his discretion. Arrangements may be made directly with the Coordinator for copies and charges will be set by the Coordinator.

MEMO TO: Aaron Kooiker, City Manager

FROM: Laura A. Schaefer, City Clerk/Finance Director

DATE: March 21, 2024

SUBJECT: FY 2024/2025 Budget – Set Public Hearing Date

Since Fall 2023, City staff has been preparing the FY 2024/2025 proposed budget. Early February 2024, Council held work sessions on the proposed budget. With the State legislators passing House File 718 (HF718) during the 2023 session, cities are required to hold a hearing on the proposed property tax levy at a separate meeting before a public hearing can be set on the full FY 2024/2025 budget. The proposed property tax dollars public hearing will be held at the special Council meeting scheduled for 5PM on March 25, right before the regularly scheduled Council meeting.

Attached is a copy of the State of Iowa budget forms that includes the public hearing notice to be published in the Carroll Times Herald no later than Friday, March 29, 2024, for a public hearing date of April 8, 2024. The state budget forms and notice of public hearing have been prepared based upon the discussions held during the budget work sessions.

The public hearing notice summarizes the actual revenues and expenses for FY 2023, re-estimated revenues and expenses for FY 2024, and proposed FY 2025 revenues and expenses as well as the proposed tax levy (\$12.16046) for FY 2025. Once the public hearing date is set, the maximum expense amounts and tax levy for FY 2025 will also be set. If there are any increases to the budgeted expenses, those changes would need to be approved prior to setting the public hearing date. A decrease to the budget can be approved at the budget public hearing, prior to approval.

RECOMMENDATION: Council consideration and approval of the proposed FY 2024/2025 budget which includes setting April 8, 2024 as the date for a public hearing for the proposed FY 2024/2025 budget and directs the City Clerk to publish said public hearing notice.

SUBJECT: U.S. 30 Traffic Signal Removal Study

On December 21, 2023, traffic signal heads on U.S. 30 at Adams Street and Court Street were covered to begin a 90-day removal study period pursuant to the Manual on Uniform Traffic Control Devices. The removal study period ended March 20. The information collected during the study is summarized as follows:

SPEED

Speed data was collected by the Police Department between January 25 and February 12. Data was collected for U.S. 30 westbound and eastbound at/near Adams Street and Court Street. The average speed data collected is summarized as follows:

| Location | U.S. 30 Eastbound | U.S. 30 Westbound |
|--------------|-------------------|-------------------|
| | (Ave. Speed, MPH) | (Ave. Speed, MPH) |
| Adams Street | 22.8 | 23.0 |
| Court Street | 23.9 | 21.2 |

The posted speed is 25 miles per hour.

CRASHES

During the study period, the Police department recorded no motor vehicle crashes related to the Adams Street or Court Street intersections. Recorded crashes within the study corridor, Carroll Street to Clark Street, are summarized as follows:

- 01-05-24: U.S. 30 and Clark Street. U.S. 30 westbound vehicle turned south on Clark Street and was hit by a U.S. 30 eastbound vehicle.
- 01-22-24: U.S. 30 and Main Street. Vehicle turned south on Main Street from U.S. 30 and had to slow for traffic. Second vehicle turned south on Main Street from U.S. 30 and failed to slow for traffic, rear ending first vehicle.
- 01-26-24: U.S. 30 and Main Street. U.S. 30 westbound vehicle stopped for a red light was rear ended by a second U.S. 30 westbound vehicle.

U.S. 30 Traffic Signal Removal Study March 20, 2024 Page 2

- 01-29-24: U.S. 30 and Carroll Street. U.S. 30 eastbound vehicle failed to stop for a red light, colliding with a Carroll Street northbound vehicle.
- 01-30-24: U.S. 30 and Clark Street. Two U.S. 30 eastbound vehicles stopped for a red light were rear ended by a third U.S. 30 eastbound vehicle.
- 02-12-24: U.S. 30 and Carroll Street. U.S. 30 westbound vehicle failed to stop for a red light, colliding with a Carroll Street southbound vehicle.

COMMENTS

Comments were received and logged at City Hall during the study period. The comments filed cannot be considered scientifically collected and may not be considered statistically significant. As of March 20, they are generally summarized as follows:

| Do Not I | Remove | Rem | ove |
|--------------|--------------|--------------|--------------|
| Adams Street | Court Street | Adams Street | Court Street |
| 57 | 31 | 49 | 55 |

Comments not favoring removal generally included vehicle entry and crossing delay from the side streets and pedestrian crossing safety. Comments favoring removal were generally related to reduced delay traveling through the signal system.

The 2016 U.S. 30 Traffic Signal Study determined a total daily delay reduction of 17 hours by removing the two signals. An inflation adjusted signal removal cost estimate is \$70.000. The estimate will be impacted by the extent of intersection work to establish satisfactory sight distances.

The proposed F.Y. 24-25 Budget includes funding for the design of replacement of the aging signal installations. Inflation adjusted estimated costs for total signal equipment replacement would typically be \$250,000 to \$325,000 per intersection. The estimate will be impacted by the extent of the electrical and structural components requiring replacement, as determined during design.

RECOMMENDATION: Mayor and City Council consideration of removal/retainage of traffic signals at U.S. 30 and Adams Street and Court Street.

DATE: March 20, 2024

SUBJECT: Request for Bids - 1114 N. Main Street

On March 22, 2024, the City will take ownership of 1114 N. Main Street. After discussions with the city attorney, the attached Request for Bids was written. Staff feels that this property needs to be torn down and redeveloped to be consistent with the current zoning R-5, High Density Residential District. This Request for Bid covers the expectation of demolition and new building. The minimum bid is based on the City Attorney's expectations of finalization of sale plus the purchase cost.

Staff would like to put the Request for Bids and Bid Form out to the general public requiring the bids be returned to City Hall by April 19. At the April 22 Council Meeting, Council will receive the properly submitted Bid Forms. Council will then set a public hearing on the sale for the May 13 Council Meeting.

After the public hearing is concluded on May 13, Council will be able to make a final decision and may approve the sale by Resolution, authorizing the Mayor to sign the Quit Claim Deed.

City policies 304 (Sale of Surplus City Property) and 307 (Appraisals for Real Property Sales and Purchases) cover the City's requirements for the sale of real property by the City. These policies go beyond the requirements of state code. Staff is requesting these policies be waived to expedite the sale process for this property.

RECOMMENDATION: Council consideration of a motion waiving city policies 304 and 307 related to the sale of real property and approve the proposed Notice – Request for Bids and Bid Form for 1114 N. Main Street.
